VOL. XVIII, No. 7. EIGHTEENTH YEAR GLOUCESTER, MASS., AUGUST 15, 1914. PRICE FIVE CENTS

East Gloucester

THE season here has probably reached its zenith. Several of the hotels report filled houses and the patronage here is above the average of other localities. On the whole it is quiet, the usual round of golf, "parties" at tea houses, etc., furnishing the principal diversions.

Mrs. Wm. H. Hartcourt, who has been spending the summer at the Hawthorne Inn, left Tuesday for New York, where she has been summoned for rehearsals in the play "The High Cost of Living." She will not return this season.

Hon. Carter Harrison, mayor of Chicago, Mrs. Harrison and daughter, were among the registrations Tuesday at the Hawthorne Inn. They plan to remain during August.

Mr. and Mrs. C. Herbert Bestwick of Riverbank court, Cambridge, are making a vacation stay at the Harbor View.

Mr. and Mrs. James H. Wheeler of Boston, are spending a few weeks at the Harbor View. Their son, Lucius B. Wheeler, is with them.

Social attention at Bass Rocks is divided between the Golf club house and the Moorland. The Dansants at the hotel Saturday afternoon rather detracts from the attendance at the Saturday afternoon teas. Nevertheless last Saturday there was a good representation at the club house of the hotel and cottage colony. Miss A. S. G. Jarvie of Montclair, presided at the urn, assisted by Misses Isabella and Ella Thom.

Tuesday, Mrs. Worvall of New York, entertained a party of 12 at tea and bridge at the club house. Others entertaining during the week, have been M s. Robert Laidlaw, Mrs. Ludlam, Mrs. Nathan Newbury and Mrs. Raymond Farr.

The two ball tournament Saturday was won by Miss Lichtenstein of New York and Marcus Dennison of Baltimore, by two up and one to go, their opponents being Mrs. Nathan Newberry and E. B. Chandler.

A ladies' tennis tournament commenced Wednesday for prizes given by Mrs. E. B. Currier of New York, who contributed the first trophy in the mixed doubles and a men's golf tournament and handicap match tournament. Among the players in the tennis tournament were, Miss Eleanor Carl and Mrs. Walter Carl, H. W. Brown and Stewart Walker of Boston, Mrs. Campbell of New York, Miss Esther Pugh and Miss Letetia Scott of Overbrook, Penn., Joseph Grubb, Jr. and Irving Humphrem, Mr. Mills and K. Tener.

Miss Martha M. Power of West Medford, is at the Harbor View during August.

On Wednesday evening 50 of the more youthful guests at The Rockaway took part in an Indoor Golf contest. Mrs. James F. Fulton, who introduced the popular parlor game at the hotel last season, was again the instigator of the affair. Prizes were awarded to the winners and also to those holding the lowest score. First prize for men was won by Caldwell Baker of Springfield, Mass, Frank Wyckoff, also of Springfield, and Mr. C. H Clark of Worcester, tying for second place. The ladies' first prize was secured by Miss Katherine Anderson of Detroit, Miss Dorothy Fulton of Chicago, being second. Consolation prizes were thrust upon Mrs. C. H. Clark of Worcester, and "Bud" Guckenberger of Cincinnati.

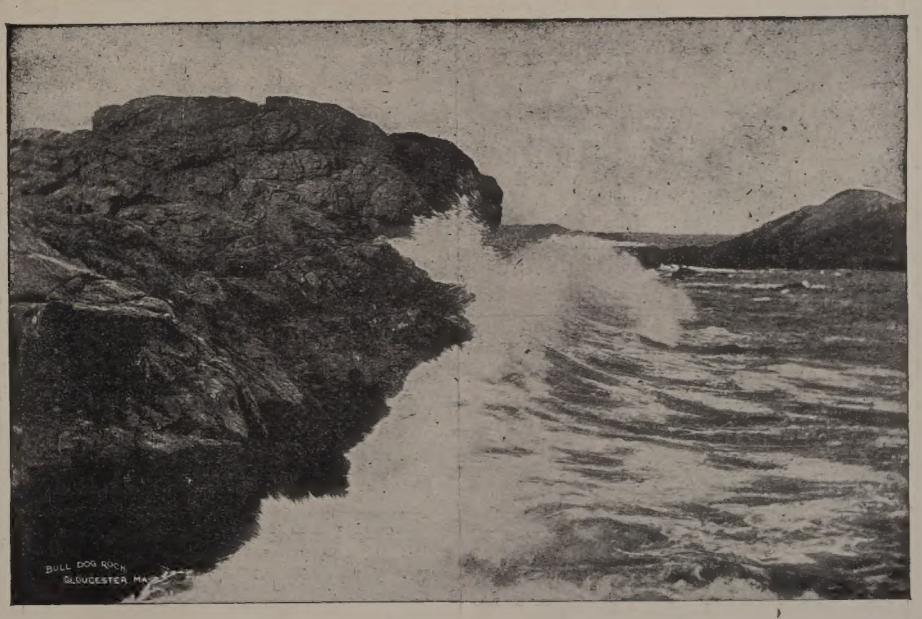
Rockport and Pigeon Cove

MID-AUGUST and only two weeks to September! The season is undeniably quiet for August when everything should be running at high pressure! There is no hotel in this section which is doing its usual August business and this statement with a few exceptions will apply to every hotel on Cape Ann. Nevertheless there are as many cottage rentals as ever. What was said at the first of the season applies now.

What is responsible for this state of things? Cottages well let! Hotels, half filled! This same thing applies all along the North and Middle Atlantic seaboards and the mountains as well. The commonly accepted explanation is that the automobile has revolutionized the summer hotel business and with exceptions here and there the day of the big hotel has gone by, the little roadside inns taking their place. This may or may not be so. Whether this condition is permanent or only temporary time will tell.



SURF AT BULL DOG ROCK, BRACE'S COVE, EASTERN POINT

AUTOMOBILISTS, ATTENTION!

The attention of all automobilists is called to the following provisions of the Revised Laws of Massachusetts Relative to Motor Vehicle Laws, Acts of 1909, Chap. 534, Section 14:

SECTION 14. Every person operating a motor vehicle shall bring the vehicle and the motor propelling it immediately to a stop when approaching a horse or other draft animal being led, ridden or driven, if such animal appears to be frightened and if the person in charge thereof shall signal so to do; and, if travelling in the opposite direction to that in which such animal is proceeding, said vehicle shall remain stationary so long as may be reasonable to allow such horse or animal to pass; or, if travelling in the same direction, the person operating shall use reasonable caution in thereafter passing such horse or other animal. In approaching or passing a car of a street railway which has been stopped to allow passengers to alight or embark, the operator of every motor vehicle shall slow down and if it be necessary for the safety of the public he shall bring said vehicle to a full stop. Upon approaching a pedestrian who is upon the travelled part of any way and not upon a sidewalk, *or where the operator's view is obstructed either* upon approaching an intersecting way or a curve or corner in a way, every person operating a motor vehicle shall slow down and give a timely signal with his bell, horn or other device for signalling:

Provided, that in the thickly settled parts of a city or town no bell, horn or other device for signalling shall be sounded so as to make a harsh objectionable or unreasonable noise, except in the case of fire and police department vehicles and ambulances; and provided, further, that no operator of any motor vehicle shall at any time permit any unreasonable amount of smoke to escape from said motor vehicle, nor shall said operator at any time permit said motor vehicle to make any unnecessary noise, by cutting out the muffler, or otherwise.

The driver of any motor vehicle on any highway approaching a crossing of ways, shall slow down and keep to the right of the intersection of the centres of both ways, when turning to the right, and shall pass to the right of the intersection of the centres of said ways before turning to the left.

The Surfside Auto Inn

The leader of the Surfside orchestra, Carl E. Bergman, of the New England Conservatory, is receiving many commendations for the fine orchestral and dancing program furnished afternoons and evenings. The music has been no small part of the Surfside's popularity during the season.

The Surfside continues to be a favorite banqueting and gathering place. Wednesday evening the classes of Miss Hudson of this city, comprising some 40 couples, enjoyed a dancing party with a supper afterwards.

Mr. and Mrs. J. A. McDonald from Jacksonville, Fla., made an over Sunday stay at the Surfside.

Dr. and Mrs. Very of Rome, N. Y., were motorists who made a tarry during the week at the Surfside.

Mr. and Mrs. Earl P. Hawes with Miss Beak and Miss Duncan of Providence, were a motor party at the Surfside recently.

"OIT'S you, Harry? This is a fine surprise! Little Billie was just wishing he could say good-night to Papa. It is not going to be so hard to have you away if you will only talk with me each night. It won't be so lonely, now, and you won't seem to be so far away, either . . . . You are going to New York, also?—well, you *will* call me, won't you? Now the kiddies want to talk to you."
